**Response to Office Action Dated February 23, 2005**

This is a reply to the Office Action mailed February 23, 2005. Please enter the following amendments and remarks into the record.

**Amendment to the Claims**

The Examiner has correctly caught clerical errors in the Response.

Specifically, claim 26 is amended in the "Amendment of the Claims" section of the response, yet the limitation of "displaying . . ." is not shown as underlined to indicate added language. The same is missing from Claim 26 in the "Status of the Claims" section. This is apparently an error.
